## 2018 Grant Application

Dear Educators,

All information regarding the 2017 – 2018 grant application process can be found at [http://www.roswellwomansclub.org/grant\\_applications\\_educators.html](http://www.roswellwomansclub.org/grant_applications_educators.html)

Roswell Woman's Club no longer will be accepting grant applications by mail or fax. All grant applications and any supporting materials must be electronically submitted through the email to [Grants@RoswellWomansClub.org](mailto:Grants@RoswellWomansClub.org). Only one copy of the grant application is required.

Please keep the dollar request at or below \$1,000. Requests for larger dollar amounts are less likely to be funded due to limited resources. Roswell Woman's Club's grants for educators are awarded for educational projects in public schools in Fulton County north of the Chattahoochee River. If you need assistance or have a question, please email the Grant Chairman at [grants@RoswellWomansClub.org](mailto:grants@RoswellWomansClub.org).

RWC looks forward to receiving your grant requests. Completed grants and documentation are due by February 28, 2018.

Susan Matherly  
Co-chair, Roswell Woman's Club Education Committee

Please enter the following information, and then submit your application and the following supporting materials **if applicable** to the [Grants@RoswellWomansClub.org](mailto:Grants@RoswellWomansClub.org) email.

Please place a check next to the item or items that you will be attaching to your email.

A copy of your 501 (c) 3 letter

Organization's current annual operating budget

Proposed project budget

A list of your Board of Directors

Equipment Purchase Information

Please provide a general description and purpose of grant. Include an explanation on how the project will operate, any immediate/ongoing benefits, and how success will be measured. Any back-up material you can provide would help greatly. Please limit your answer to 2600 characters (includes spacing).

Please list any back-up material that you will be attaching to the email.

Please include the number of students who will be served (i.e. one class, one grade, entire school, etc.) and will the project be ongoing or will it only serve students for one year. Please limit your answer to 2600 characters (includes spacing).

If the full amount requested could not be granted, would a partial grant still be of service?

Yes

No

How will this project benefit the community? Please limit your answer to 2600 characters (includes spacing).
